TCAH This Month
 The monthly meeting will be held Saturday November 11, at Fleming Field, South St. Paul, beginning at 1:00 pm. Come early.

President's Address
by Mark Copeland
 My apologies for my absence at last month's meeting. At the time, I was leading a tour through England for my employer, the **National Museum of the Mighty Eighth Air Force**. Thank you goes to Vice President, Steve Hustad for taking over and leading the October meeting.

November is our traditional month to collect annual dues. If you haven't already, please take care of your annual dues payment (\$15.00) to Treasurer, Dennis Strand at the meeting or dropping a check to him in the mail.

At the next meeting, we will hold our annual election for club officers. The current slate of officers is willing to serve for an additional year (2023/2024). We will have ballots available for write-in candidates, per our by-laws. However, we can wave the formal ballots in favor of a motion from the membership to elect our current slate of officers. This would be followed by a vote of the membership to wave balloting and proceed with the electing the current slate of officers.

Yellow wings, bi-planes, open cockpits. If you are a fan like I am of aircraft from the "golden age" of aviation, our theme for the November meeting is the "Interwar Years." Aircraft or subjects from 1918 to 1941 will be the featured theme of the month.

December's meeting will be a chance to choose the themes for the 2024 calendar.

Once again, Steve Hustad will be taking over the helm at

the November meeting.
 I will be in France exploring the Normandy area and conducting site inspections for a 2024 tour. Have a wonderful Thanksgiving everyone and we will see you in December.

Treasurer's Report
by Dennis Strand
 There were 8 additional members added to the 2024 roster at the October meeting, giving us \$120.00 in revenues. I also issued free membership cards to Bob Arko and Sean Brzozowski for their continued work as newsletter editor and web master respectively. There was a \$179.50 expense for website hosting during the last 30-day period. We now have \$5371.86 in the club account.
