The Aero Historian is published monthly by the Twin City Aero Historians, Inc., a joint chapter of the American Aviation Historical Society and International Plastic Modelers Society/USA, for members and readers as part of their annual dues or fees.

The group is open to aviation enthusiasts from teenagers on up who are interested in aviation modeling, photography, collecting, art and writing.

The Twin Cities Aero Historians (TCAH) meet the second Saturday of every month at 1:00pm.

See above for the new meeting locations and directions.

TCAH This Month

October Theme — modeling 'disasters' (you decide what that is for you)

The monthly meeting will be held Saturday October 12, at Fleming Field, South St. Paul, beginning at 1:00 pm. Come early.

President's Address
by Mark Copeland

I am still coming down from my high from **Nordic Con 2024** from a few weeks ago! What a tremendous success and a well-run event! The turnout of participants and model count was a little down from last year, but that certainly didn't defeat the quality of entrees on the tables. With the combination of "display only" and contest entrees, the tables were certainly full of excellent models!

Great vendors, a flawless registration process and a perfect video presentation showing all the winning entries! Bob Maderich, **Nordic Con** Chairperson and the entire teams should be warmly congratulated for a very success show! I can hardly wait until next year.

I'm sorry that I missed the August meeting; I was in Savannah, Georgia for work. Thank you to Steve Hustad for running the meeting and for presenting the agenda regarding upcoming annual officer elections. By a unanimous vote, the current slate of officers has been elected for another term in office. Thank you all for your confidence in our leadership abilities and your continued support of the club.

Our annual dues drive is on and you can pay our dedicated Treasurer, Mr. Dennis Strand the annual dues of **\$15.00** for your 2024/2025 dues. You can deliver it directly to Dennis at the meeting or drop a check in the mail to his address.

Duty calls once again and unfortunately I will be in England and France leading tours for the **National Museum of the Mighty**

Eighth Air Force. Our Vice President, Steve Hustad will once again lead the October and November meetings.

So, I will see you December when we will feature a fantastic presentation by Steve on his unbelievable 1/72nd scale aircraft diorama collection.

Stay well friends!

Treasurer's Report
by Dennis Strand

This month there was a \$179.50 web page hosting fee as our only expense. We have already received 3 membership renewals, which gave us a \$45.00 income. \$5993.17 is our current cash balance.

It is the time of year that we begin our TCAH membership drive. \$15.00 is still the annual membership cost. Please consider renewing earlier rather than later. This helps in organizing the updated TCAH Roster information. See me at the next meeting or send a check to: Dennis Strand, 833 Manomin Ave., St. Paul, MN 55107 and I will send you a brand new 2025 TCAH membership card by return mail.

Be well and see you at the October meeting.
