

2016 NordicCon

Saturday, October 22 9:00 a.m. to 3:00 p.m.

The modelers in the clubs producing NordicCon want to grow the hobby and support a new generation. Your kind donation of kits and/or supplies may be:

- *Used in the free Make n' Take*
- *Awards to promising Junior modelers*
- *Featured in the raffle/silent auction to help raise revenue to make next year's show even bigger and better!*

BASE CAMP

NORTHERN STAR COUNCIL

BOY SCOUTS OF AMERICA

201 BLOOMINGTON ROAD, FORT SNELLING, MN

NordicCon has its roots in the Mini-Air Expo produced by the Twin City Aero Historians in 1972. The show evolved and in 1975 the club hosted its first IPMS Regional, repeating in 1995, 1998, and 2003. Over the years, NordicCon grew to become one of the largest shows in the region—attracting as many as 500 entries from area modelers!

Once again, we're working to make this the biggest and best NordicCon ever!
